Re: ASU Signatory Authority

I am the Director of Research Administration at Arizona State University and the authorized signature authority for business matters related to sponsored projects.

This memo confirms the delegation of signature for sponsored projects proposals, including budget revision for:

Candyce Lindsay

Vicki Krell

Marie Murphy

Stephanie Sandrock

Marca Gurule

Lacey Ward

Avery Wright

Kimberly Habiger

This delegation allows for the above to provide the required institution endorsements for proposals submitted by all faculty and staff across the four campuses of Arizona State University.
