Re: Contractor Purchasing System

To Whom It May Concern,

Arizona State University maintains an approved contractor procurement system in accordance with the Federal Acquisition Regulation Subpart 44.3 and the Defense Federal Acquisition Regulation Supplement 252.244-7001. The designated federal agency that conducts Contractor Procurement System Reviews of Arizona State University's procurement system is the Office of Naval Research. Information on their review process is at <http://www.onr.navy.mil/Contracts-Grants/manage-grant/purchasing-system-review.aspx> . Arizona State University is considered to be low risk by the Office of Naval Research, and accordingly, formal Contractor Procurement System Reviews are not required.

Thank you for your assistance in this matter. If I may answer any questions, I am at [Nichol.Luoma@asu.edu](mailto:Nichol.Luoma@asu.edu) or 480-965-6532.
